Mr. William J. Casey  
Director of Central Intelligence  
Central Intelligence Agency

Dear Mr. Casey:

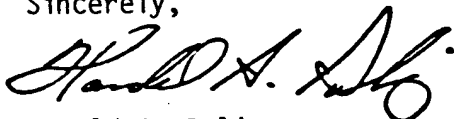

It's not often that we have the opportunity to write to our fellow Americans with such a pleasant mission. National 4-H Council has embarked upon a campaign to locate and identify former 4-H members who currently hold leadership positions in the United States.

It is estimated that one out of every seven Americans is a 4-H alumnus. 4-H fosters leadership and many individuals in prominent positions received some of their early training in leadership and citizenship from their involvement in 4-H.

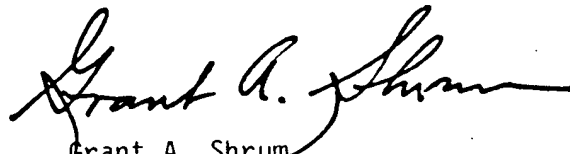

If you are a former member or have been associated with 4-H, would you please take a minute to fill out the attached return postal card? We'd like to count you as one of our alumni in 4-H -- the nation's largest organized out-of-school educational program.

We thank you for your thoughtful consideration.

Sincerely,

Harold A. Poling
